

# CA097A Creating Web Pages with HTML-Course

---

CA\*097A\*86723 Spring 2010

## Instructor: Curtis Pembrook

Email: [Curtis\\_pembrook@wvm.edu](mailto:Curtis_pembrook@wvm.edu)

Location: Mission College Main Building, Orientation on 2/4 in N1-401

Times: 02/04/2010-03/04/2010 Online Days to be Announced, Access course at:

<http://wvmccd.angellearning.com>

Course Credit: Credit/No Credit

## Course Description

CA097 is a first professional and personal step in creating a Web page! Students will learn basic HTML and XHTML formatting commands in a hands-on lab. This introductory course will teach you to design and develop a Web page that includes graphics, lists, tables and styles. The final project is the creation and publication of a personal or professional web page.

## Course Objectives

Upon completion of this course, you will be able to:

- Demonstrate knowledge of and/or ability to use the appropriate HTML/XHTML commands to create web pages.
- Use styles to format a Web page(s).
- Analyze, troubleshoot, and solve common problems related to the use of HTML and Web page design.
- Use graphics, links, links, and tables in a Web page.

## Learning Outcomes

Upon completion of this course, you will be able to:

- Analyze a client's needs and produce a basic web site

## Prerequisites

- None required.
- Advisory for ENGL 108A and Read 053;CA010A, CA070, CA120.
- Recommend taking CA96A and CA96B.

## Textbook

### Required:

Carey, Patrick. **New Perspectives on HTML and XHTML (Introductory)**, Course Technology, 5<sup>th</sup> Edition, 2008. ISBN: 1423925440 (Purchase Comprehensive version of the textbook if you intend to complete the entire CA97 course series of classes.)

## How to be Successful in CA097 Online!

Learning HTML is an easy and fun! In order to be successful, you need to do the following:

- Set up a study schedule
- Complete all required reading.
- Download the Tutorial Resource files from ANGEL
- Remember, there are NO stupid questions! Post your questions in ANGEL!
- Post question to the chapter discussion forums and review Flash demos.
- Participate and collaborate in online discussions and chats Feel free to complete the case problems as a team.
- Submit your assignments by the due date. Late assignments are penalized five (5) points per day that they are late!

## Academic Integrity

The College's policy on cheating covers in-class and out-of-class cheating, plagiarism, and furnishing false information. With the exception of the "CREATE" case problems, do your own assignments—cheating will not be tolerated, and will be dealt with in accordance with the guidelines provided in the Mission College catalog.

## Disability Policy

Mission College makes reasonable accommodations for persons with documented disabilities. The American with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation required that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please contact DISC (Disability Instructional Support Center) located in S2-201 (408-855-5085 or 408-727-9243 TTY).

## Unlawful Discrimination/Sexual Harassment Policy:

If you have a complaint, or someone has shared information with you as a student or employee that is unlawful discrimination or sexual harassment, contact the Director of Human Resources at West Valley-Mission Community College District, (408) 741-2060). If the Director of Human Resources is not available, contact the President of the college.
