Welcome to ESL970G Advanced Grammar and Editing

Please take some time to explore our virtual classroom: this website. **Announcements** are on the home page. Be sure to read them when you log into class. **Communication: Read Mail** is where you will find messages from me, as well as your classmates. Sometimes I will also send a copy of my messages to your Internet mail account, but not always. If you wish to reply, please do so by clicking Reply from **Read Mail**. **Syllabus** links you to an overview of this course. **Lessons** is the area where you'll spend most of your time. There are folders inside of Lessons, such as **Assignments, Course Documents, Discussion Boards, Quizzes**, and others.

I look forward to a successful semester with you.
