Improve your grammatical accuracy in the Advanced Grammar & Editing class

Brush up on your grammar and editing skills

Advanced English learners review English grammar and learn to edit grammatical, mechanical and word usage errors in writing. The class includes intensive review and editing of verb tenses; modals; conditionals; active and passive voice; articles and nouns; prepositional, adjectival and adverbial phrases; word forms; word usage; subject-verb-pronoun agreement; sentence parts; sentence patterns; sentence boundaries; and mechanics.

Distance education environment

This course will be delivered via text and digital multimedia in a web-based environment. Through targeted readings, exercises, and participation in web seminars, you will receive guidance and extensive practice in refining your grammar skills.

Your online instructor

Professor Marsha Chan, B.A., M.A. Stanford University, has learned numerous European and Asian languages and has had several decades of teaching experience. She is an internationally recognized teacher of English to speakers of other languages, online instructor, speaker, author, and pronunciation specialist with over 1,200 videos on Youtube.

Course orientation

Bring your laptop computer to an on-campus hands-on orientation session on Saturday, February 8, 1:00-4:00 pm, in Mission College Main Building Room E3-501. Prof. Chan will demonstrate the course materials and websites and give an introductory lesson.

How to register for the class

The spring semester course (3 units) runs from February 8 to May 17, 2014.
