

# How to access English language instructional videos on PronunciationDoctor's channel

## Marsha Chan

If you don't already have a Youtube account, follow these directions. (If you already have a Youtube account, skip to Step 6.)

1. Go to [www.Youtube.com](http://www.Youtube.com).
2. Click **Create Account** (top right). Complete the information and submit it.

3. Then go to [www.gmail.com](http://www.gmail.com) and log into your new email account to find an authorization message.
4. Follow the directions in the authorization message in your email to approve your new user.
5. After you authorize the new account, go to <http://www.youtube.com/user/PronunciationDoctor>
6. Click **Sign In** (top right). Enter your username and password. Look to see your username appear

7. Under the heading **Playlists**, choose **Phrase by Phrase, College Oral Communication**, or **English for Child Care** or another playlist.
8. Choose a video to watch.
9. If you like it, please click the **LIKE** button. (Thumbs up!)  You can do this only if you sign in with your Youtube username.
10. You may write a **Comment** too. You can do this only if you sign in with your Youtube username.
11. Tip: Look in a mirror as you practice. Compare your mouth with PronunciationDoctor's mouth as you pronounce the words and sentences.
